

THE BEST PART OF SUMMER

for a fashion-minded girl is that outfits can be a whole lot less expensive than they are in winter. Is it because the clothing is smaller? If only it worked that way! Local boutiques know we've tightened our figurative belts but that we still want what's new. They've filled their stores with **BREEZY DRESSES**, **SASSY SANDALS** and **COLORFUL ACCESSORIES** with wallet friendly price tags, just begging to be bought. It's a **NUMBERS** game, so play it!
